Purusharthy Projects Private Limited is an ISO 9001 : 2015 certified industrial solutions provider company. We are the “A” Class electrical contractor. We have expertise to design fully integrated and customized complete Electrical and Solar turnkey projects. We have the prowess to manage turnkey projects of any scale and the much-needed know-how to work within the confines of regulatory policies and vast geographical parameters. We’re constantly looking for new ways to innovate the technology to make accessible to even more people.

With its customer oriented and quality centric approach, known for its after-sales services, we are one of the renowned solution provider of the nation.

We are always values-driven. These values continue to direct the growth and business of Purusharthy Projects. The five core values underpinning the way we do business are: **Integrity:** We will be fair, honest, transparent and ethical in our conduct; everything we do must stand the test of public scrutiny.

Excellence: We will be passionate about achieving the highest standards of quality, always promoting meritocracy.

Unity: We will invest in our people and partners, enable continuous learning, and build caring and collaborative relationships based on trust and mutual respect.

Responsibility: We will integrate environmental and social principles in our businesses, ensuring that what comes from the people goes back to the people many times over.

Pioneering: We will be bold and agile, courageously taking on challenges, using deep customer insight to develop innovative solutions.

Quality Matters in Your Business
